Turknett Leadership Group to Honor Hala Moddelmog

2020 Lifetime Achievement Award Winner Leadership Character Awards

Hala Moddelmog, president and CEO of the **Metro Atlanta Chamber** will receive the 2020 Lifetime Achievement Award from the **Turknett Leadership Group** on October 28, 2020 at the Georgia Aquarium.

The Lifetime Achievement recognition is the top award given by the organization, and the luncheon is expected to be attended by 600 or more, according to **Tino Mantella**, president and CEO of the Turknett Leadership Group.

“Hala will be an exceptional addition to the list of distinguished previous lifetime achievers,” Mantella wrote in an email listing previous winners: Frank Skinner in 2012; Alana Shepherd in 2013; Oz Nelson in 2014; Frank Blake in 2016; and Andrew Young in 2018.

“When I think of Hala, I think ‘impact,’” Mantella continued. “Whether in her corporate business career, leading Susan G. Komen for the Cure or becoming the first woman president and CEO to run the Chamber, Hala has made a difference.”

Moddelmog said she is “obviously flattered” to be receiving the Lifetime Achievement Award. “When you look at the past winners, I’m honored to be in their company,” Moddelmog said.
